**Description of municipality:**

Nauksēni municipality is located in Northern part of Latvia, nearby Estonian border.

It is one of the smallest municipalities in Latvia.

Located in wonderful countryside area: surrounded by forests, agricultural landscape, Rūja river.

**Number of inhabitants:** 2270

**Places of interest:** Unique Nauksēni Human museum, Nauksēni manor house and park, Ķoņi watermill (demonstration of grain, wool, electricity producing), bio diesel factory, mineral water and edible oil factory). Motor float in Rūja river.

There are folklore group and adult folk dance group, line dancers, brass band (youngsters) in community.
